

WHAT DO WE KNOW ABOUT DOMESTIC VIOLENCE?

When it comes to domestic violence, more abuse victims, perpetrators and family members seek help from pastors and faith community leaders than all other helping professionals combined. Increasing our understanding of this important subject could make a huge difference in our community. CTK has partnered with Domestic Violence and Sexual Assault Services (DVSAS) to learn how we can be a safe place to talk about this topic and connect people to the help they need. Pastor Grant will be speaking on this subject during the upcoming *Taboo* series.

Please help Grant prepare by taking a brief, anonymous survey about domestic violence at surveymonkey.com/r/8C9MBX5
