

13th Annual CTK Blessing

Because of your generosity,
we can say yes.

For someone in dire need, it takes a certain courage and humility to ask for help. Then, if the answer is no, it's easy to lose hope. But for many individuals and organizations, The CTK Blessing has provided the “yes” that is so desperately needed.

Over the past 13 years, this church family has given generously to support local needs — first in our midst and then in our community. The CTK Blessing makes it possible for us to say yes to people experiencing crisis, trauma, and hopelessness. It allows us to commit resources to our community partners, the people they serve, and the service projects we bless them with. Greater still, The Blessing delivers God's compassion and hope to those who need it most.
