

about ctk

Christ the King Church is a nondenominational Christian church where you can find **forgiveness for the past and hope for the future.** A welcoming and accepting community, Christ the King offers contemporary worship, sermons that are easy to understand, and excellent programs for all ages. The atmosphere is casual and the coffee is always free!

We've done our best to break down opportunities into two categories—**Worship Life** (large gatherings that generally take place in our worship centers) and **Community Life** (gatherings and small groups that take place throughout the community). The best way to fully experience all God has to offer is by engaging in both of these areas.

our mission

In everything we do at Christ the King Church, we are absolutely committed to our mission: **to create an authentic Christian community that effectively reaches out to unchurched people in love, acceptance and forgiveness so that they may experience the joy of salvation and a purposeful life of discipleship.**

a multi-site church

No matter what worship center you are joining us at today, we want you to know that Christ the King is a multi-site church which simply means one church that meets in many locations. This strategy allows us to reach more people in more areas with a unified mission, custom-fit to each community.

recycle this program

You can help us save resources and the environment by returning this program to the recycle bins on your way out. We reuse any undamaged program covers and any unused Connection Cards to save on printing costs. Thanks!

weekly program

welcome to ctk

We're so glad you've decided to join us this weekend at Christ the King Church. We hope you'll find us to be a welcoming community where you feel loved and accepted—whether you're exploring faith, growing in your relationship with Jesus, or looking for a place to serve and reach others with the good news of Jesus Christ. If you're here for the first time, we hope you'll come back in the weeks to come to find out more of who we are and what we're about.

what to expect today

Relax, enjoy a cup of coffee and just be yourself. Here's what a typical service looks like...

- The band will lead us in a few worship songs
- Someone will pray and welcome us
- A pastor will give a 30-minute message
- We'll pass buckets for Connection Cards and offerings*
- We'll close our time together with one or two more songs
...and we're done in about 65 minutes

** If you're new here, we want you to be our guest. Please let the offering bucket pass you by. We don't ask anything of you. We're just glad you gave us an hour of your week and hope you join us again really soon.*

a great place for all ages

Every weekend, we offer age-specific programs for newborns through elementary age. Our kids' programs are built around a simple concept: we want to partner with parents in their children's spiritual growth. Each week, kids learn about God's love through lessons and activities that are fun, easy to understand and led by staff and volunteers who love kids.

get involved

Serving others is one of the best ways to grow your faith—whether through volunteering or financial giving. More information about specific opportunities to give back here at CTK, through other local ministries, or around the world is available on our website. Or feel free to fill out a Connection Card and return it in the offering or at the Connection Point.

need prayer?

If you need prayer or someone to talk with, come forward after any weekend service. You'll be met by one of our prayer volunteers who'll be happy to listen to your request and pray with you. Our After Service Prayer Team members are regular people who won't do anything to make you feel uncomfortable.

give us your feedback

If you'd like more information about CTK or have a question or comment, fill out a Connection Card. We promise we won't send you anything you don't want—we just want to serve you better.
