welcome to ctk life

A Note from Grant Fishbook, Lead Teaching Pastor

How do you follow up the Revelation sermon series? God showed up this summer in amazing ways and I know he wants to continue that work in our hearts. So, welcome to fall at CTK!

I have a passion for bringing Jesus into my everyday interactions with friends who don't know him. I've found that my unbelieving friends are open, curious, and respectful of my belief in God. But I've also discovered that they are suspicious, frustrated, and disrespectful of the "Christians" they see in the media. What's the difference? Relationship!

We're kicking off September with a series all about that relationship: *The Conversation*. My goal for this series is to help you view every conversation as an opportunity to share Jesus — sometimes with words, always with love and actions.

In October I can't wait to press in to a series that's been on my heart for a long time: *Rewritten*. I was once asked the question, "Who wouldn't want God to rewrite the worst moment of their life?" My wheels have been spinning ever since. How could God rewrite my history? What's my part in inviting Jesus into the process? As a church family, we are going to ask God for a rewrite, and I can't wait to see the new stories and fresh beginnings he's going to create!

In December we come back to Christmas. All throughout the fall we'll be talking about bringing people into the story that God is writing in our own lives. December will be all about bringing and including people in the message of Christmas. I don't have a title yet, so if you have one, e-mail me!

A Note from Todd King, Lead Vision Pastor

Can you feel it? This past year has been a significant time of growing deeper as a church. From the solid summer teaching series on Revelation, to greater participation in classes, to a successful season of growing small groups, our church is taking measurable steps forward.

This fall we're focusing on developing the heart and skills to share Jesus with friends and family. Throughout the year, we'll be challenged to make a difference in the lives of people who are far from God. I encourage you to prepare for this challenge by taking a class, committing to a small group, or finding a meaningful place to serve. By participating, you open the door for increased opportunities (and we don't want you to miss out on what God is doing).

Remember our mission: "to effectively reach out to unchurched people in love, acceptance, and forgiveness..." That starts with each one of us.

A Note from Frank Talbot, Lead Executive Pastor

A healthy church family starts with healthy individuals. If you've never taken our Spiritual Health Self-Assessment, it's a great place to start. If you took it last year, I encourage you to take it again to get an idea of your progress. The start of a new season is a perfect time to look back at how you have grown and prayerfully look for ways to continue to be a good steward of your life.

Have you experienced CTK Introductions yet? You can in September or November this fall. It's a quick way to learn about our history, our mission and our shared values as you discover some new friends and places to serve.

If you're ready to become a member of the CTK community be sure to sign up for an Ownership Class in September or October. I look forward to meeting you then!

Why and where we meet

What's the right next step for you?

Take the Spiritual Health Self Assessment to find out.

As children, we develop in a fairly predictable way. We learn to sit up before we crawl, and we walk before we run. But when it comes to our spiritual development, those same stages aren't as easy to see. Often we just don't know what we don't know. We have ideas and hopes of what a God-centered life could be like but we're not sure what it means to sit, crawl, walk, or run—spiritually speaking.

To help you get some traction, CTK offers a Spiritual Health Self Assessment. This tool gives you a clearer view of your progress in four general areas of spiritual maturity:

1. **Authenticity** (learning to be real with God, yourself, and others)
2. **Biblical Understanding** (growing in your knowledge and acceptance of biblical truth)
3. **Devotion** (building a living relationship with God through spiritual disciplines and practices)
4. **Integration** (aligning every area of your life with your understanding and beliefs about God)

Your results will indicate whether you're sitting, crawling, walking or running in each of these four areas. Once you know where you are, you can choose a next step of growth from the classes, programs, groups, and events in this flyer. Classes are grouped by the four growth areas above. For example, if you want to work on Biblical Understanding, look for classes under that heading.

Don't stay stuck, not knowing what you don't know! Try the Spiritual Health Self Assessment today and take a step toward a life-changing relationship with God that could impact your world and the world around you.

Take the Spiritual Health Self Assessment at ctkbellingham.com/spiritualhealth or pick up a paper version at the Connection Point.

CLASS FINDER KEY

To make choosing a next step easier, many classes and events in this flyer are coded with these symbols. Once you've taken the assessment, match your result from any of the four areas to a next step suited to that stage of growth.

Genesis Process for men only

Every Tuesday, start date TBD*
6:30-8:15 PM in Room 210 • \$20

Mike Ensch, CTK member and retired prison chaplain, brings his personal and professional experience to the table as he invites men in recovery to join him in the acclaimed Genesis Process. Based on the belief that addiction operates at every level of our being – heart, soul, mind and body – the Genesis Process provides a biblical, emotional, and neuro-chemical perspective and zeroes in on the Romans 7 question: “Why do we do the very thing we don’t want to do when lasting change is possible?” *This 9-month process will begin when 8 men commit to participate.

Register at ctkbellingham.com/classes, the Connection Point, or contact Linda (lindap@ctkbellingham.com or x233).

“Genesis literally turned my life around! For many years I was not able to get a handle on why addictions seemed to run my life in directions I would certainly not choose to go. I found hope and understanding!”

“I have avoided the CTK women’s Bible study for various reasons... When CTK challenged us to take the spiritual inventory and commit to one step, I realized it was time to set aside my Wednesday mornings for the women’s Bible study time. I have learned so much... biblical knowledge, practical application, personal encouragement... but mostly reaffirming that the God who I began a relationship with in college is so much greater and more wondrous than I ever knew. I’m excited to continue learning more and I’ve connected with some great women who pray for me, challenge me and encourage me!” – Christina

Men’s Mentoring

for men only
Find a Mentor

To help young men live God-centered lives and fulfill their potential, we offer one-on-one mentoring where younger guys can be mentored by a seasoned, mature, and godly man. You don’t have to navigate this road alone. In fact, you were never meant to. If you’re age 19-40, we encourage you to consider being mentored.

Become a Mentor

Are you a guy who’s been walking with Jesus for a while? Are you willing to be open with your victories and challenges? Consider being a mentor! Having seasoned, experienced believers come alongside less-experienced ones is the biblical model for spiritual maturity. There’s a young man right now who needs the guidance you could give. Volunteer today!

Healthy Holidays Workshops

The holidays can be a wonderful time of the year, but they’re often coupled with stress, anxiety, or disappointment. Thanksgiving and Christmas should be a time when people lay aside their own demands or expectations—a time of family and friends celebrating the holiday. Sadly, this is often not the case. But we don’t have to succumb to culture and circumstances. CTK offers a series of holiday workshops to address the issues that may be the toughest during the holiday season.

See workshop descriptions on page 9.

ADDITIONAL NEXT STEPS

toward Biblical Understanding

Start a Bible Reading Plan

We consider the Bible our final source for wisdom, encouragement, and truth. Most people are open to reading the Bible, but few know where to start or how to get the most out of it. To help you get started, there are Bible reading plans and daily devotionals available online, through Christian bookstores, or in CTK's booklet *Two Years Through the Bible*, available at the Connection Point. Here are a few online and mobile resources:

- **YouVersion** (youversion.com) offers dozens of Bible reading plans on their apps and their desktop website (bible.com).
- **BibleGateway.com** offers the Bible online plus daily devotionals and Verse of the Day sent to your email.
- **BibleStudyTools.com** offers a wide array of reading plans where you can track your progress online, and helpful hints to stick with a plan.

Attend Service Regularly

Every week we teach straight from the Bible, so weekend services are a great place to grow in your understanding of the Bible.

Power of God's Names

**6 Sundays, October 11–November 15
11:00 AM–12:15 PM in Room 212 • \$15**

God's depth of character requires a variety of names to reflect his different ways of relating to us. He is called Elohim when referenced as the all-powerful Creator. When we need provision, he is Jehovah Jireh — God our Provider. God has a name for every situation. Get to know his names through this 6-session study. In knowing his character and capacity we find rest and discover both peace and power.

Register at ctkbellingham.com/classes, the Connection Point or contact Jayne (x272 or jayned@ctkbellingham.com). Kids may attend weekend children's programs during class.

Compass:

Helping Kids Navigate Life

8 Mondays, October 5–November 23
6:30–8:15 PM in Room 116 • Free

Let's face it. Life can be challenging, even for kids. Whether they are having trouble making friends, suffering from low self-esteem, struggling with anger, or processing grief from losses caused by traumatic life changes, many kids experience more than they know how to deal with.

We don't want your kids to feel alone as they navigate difficult circumstances. Compass is a program for kids age 6–12 that provides support and tools that make a difference. Through fun activities, skill coaching, and small group interaction, kids have an opportunity to grow in their ability to navigate challenges and come out strong and healthy. Most importantly, they learn foundational truths that will help them face life's challenges with hope, faith, and confidence in God.

Compass is not a drop-in program. Families must commit to their kids attending at least 6 of the 8 sessions.

Register at ctkbellingham.com/classes, the Connection Point or contact Jamie (x 223 or jamiec@ctkbellingham.com).

ADDITIONAL NEXT STEPS toward Devotion

10/10's

One of the most basic and effective disciplines of the Christian life is to read your Bible and pray. A great place to start is by committing to 10 minutes of each per day.

See page 6 for some Bible reading plans. If you are new to prayer, check out the class "How to Pray" above.

Pray for the Church

Pastor's Prayer Letter

Pray for "big picture" needs of the church by receiving Grant's weekly prayer letter.

24/7 Prayer Team

Commit to pray at a specific time every week to create an umbrella of 24/7 prayer for the church.

Contact Diane (x231 or dianeh@ctkbellingham.com)

Tithing

Tithe is a biblical term that literally means one tenth. Giving a tenth of your income back to God through your local church is a starting place for this discipline.

At CTK you can give during a service, online or through Pushpay (mobile giving app). For more info, see ctkbellingham.com/give.

Practice Sabbath

According to the Bible, Sabbath is about more than taking time off to rest. After he created the world and "saw that it was good," God didn't just take a break from work—he paused to enjoy his creation. You can also begin to set aside regular time to stop and savor what God has done.

Some great books to get started:

- Sacred Rhythms by Ruth Barton
- Sacred Pathways by Gary Thomas
- Sabbath by Dan Allender

9:30-10:30 AM in Room 211 • Free**

Join other families with young children for two class sessions that will prepare you to dedicate yourself and your child to God. The class is followed by a dedication ceremony where friends and family are invited to hear you speak promises to your young child and celebrate with you.

**Wednesday, September 30
9:30-11:30 AM in Room 210**

Great women's Bible studies happen when we have great women's Table Facilitators. Each of our women's studies have a small group element built in where discussion and prayer time take place. Facilitators simply guide this process in order to help groups stay focused. This is a great next step for women who want to be more involved. This training is essential for all table facilitators, even if you've done it before.

ADDITIONAL NEXT STEPS toward Integration

Volunteer

God gives every believer abilities and spiritual gifts to help accomplish his plan to reach the world and to serve one another. The idea is that we have a job to do together, given to us by God. There are volunteer roles suited to every stage of spiritual maturity, and we'll help you find the right fit.

Start by filling out a Volunteer Interest Form at ctkbellingham.com/serve or pick one up at the Connection Point.

Lead

CTK is committed to healthy leadership. A leader is a person who is willing to use their God-given abilities to benefit and empower others. Health is having a Christ-centered life that leads to spiritual, relational, and emotional wholeness. We're looking for healthy leaders in just about every area of our ministry.

If leading is your next step, start that conversation with any ministry leader. Visit ctkbellingham.com/staff to connect through email.

Hope 4 Justice

S C W R

CTK's anti-human trafficking ministry just celebrated its 4th birthday, and it's growing! Hope 4 Justice exists to increase awareness about modern-day slavery and engage people here in Whatcom County to action through several initiatives and events. Currently, we are building a prayer team, launching a high school peer education scholarship program, and starting up a free-trade co-op. We'd love your help!

HEALTHY HOLIDAYS

S C W R

The holidays can be a wonderful time of the year, but they're often coupled with stress, anxiety, or disappointment. Thanksgiving and Christmas should be times when people lay aside their own demands or expectations—a time of family and friends celebrating one another and the holiday. Sadly, this is often not the case. But you don't have to succumb to culture and circumstances. This series of holiday workshops can help you address the issues that may be the toughest during the holiday season.

Sorry, no childcare for the following workshops.

Losing a loved one can change our experience of the holidays, especially when the loss is recent. Join with others who've experienced loss as we learn what to expect in the holiday season, what we can do to honor the person we've lost, and how to find your "new normal" for holiday seasons to come. This short workshop offers expert video teaching and discussion, as well as the comfort and support of others.

Don't Let Stress Hijack Your Holidays

Saturday, November 21

9:00 AM–Noon in Room 215 • \$15

Holidays and family... here we go again. In a perfect world, every holiday gathering would be an endless delight for your entire family. But in reality, this can be one of the most challenging times for family interaction. This year, take a timeout with Karolyn Merriman to learn how to better navigate family dynamics during the holidays. You'll find ways to avoid the cycles and unspoken expectations that cause disappointment year after year. You'll also take home some great tips for finding peace, plus a "less stress/more celebration" way to approach the holidays that will help you build memories and traditions that focus your family towards Emmanuel, God with us.

Register at ctkbellingham.com/classes, the Connection Point or contact Linda (x233 or lindap@ctkbellingham.com).

PARENTING AND MARRIAGE

Whether you're at the end of your rope or you just wonder if there's a better way, participating in Reset Families can help. You'll walk away from this interactive class with information and tools to help you end power struggles, have fun together as a family, set clear expectations, and respond when your kids make poor behavior choices.

LADIES, IMAGINE...

What if not having the feminine hygiene products you need meant missing days of school, days without income, days without leaving the house? Without these supplies, girls in developing countries miss up to 2 months of school every year. This issue is key to social change and breaking the poverty cycle for women all over the world. Join CTK and Days for Girls, a local non-profit that helps girls around the world by distributing sustainable feminine hygiene kits.

Women from CTK have already worked together to make and send over 200 kits to Tanzania and Kenya last summer. You can help continue the work, even if you don't sew!

Tuesday Work Nights at CTK

September 22, October 6, October 20, November 3, November 17, December 1

Donations are still needed: thin wash clothes, hotel or travel size soaps, Fruit of Loom panties (sizes 12 -16), and new fabric (100% cotton and double brushed flannel). Simply leave your donation at the Reception desk.

Contact Shannon (sam317@comcast.net) or Cindy (werfamily98@gmail.com).

Early this summer, we delivered some Days for Girls hygiene kits to girls in Africa. A month later a team from CTK delivered more and got to see one of the first recipients teach the next group of girls how to use the kits:

"It was beautiful to watch. After the girls went through all the instructions they formed a circle and cheered!"— Kim

ANOTHER REASON TO GET INVOLVED...

"It's common for these girls to go to their boyfriends when they need feminine hygiene products. The boyfriend frequently suggests the 9-month, no period alternative: pregnancy! He'll deliberately impregnate the girl so he doesn't have to deal with it for nine months. When the girl gives birth, she has then shamed her family and is sent away to another village with the grandmother."

Sunday, October 25

It takes far more than bricks and lumber to rebuild a devastated city. Ten years ago CTK sent teams to help rebuild the city of New Orleans. Once again, you can help impact lives and restore hope to this city. If you helped with the rebuild in the gulf 10 years ago, or if you have an interest in serving people in New Orleans, don't miss this information meeting. Let's go back and let people know they are not forgotten.

New Missions Training!

Missions 360

S C W R

Saturday, November 7
9:00 AM-Noon in Room 216 • Free

Have you ever thought about what it would be like not to have a Bible in your language? Or what it would be like to be left on the streets because your widowed mother doesn't have the finances to care for you? Where is God in a world of earthquakes, poverty, and uprisings?

In this 3-hour intensive training, learn what the Bible teaches on poverty, the church's responsibility to orphans and widows, praying for missionaries and nations, financing world missions, and the biblical mandate for missions. You'll hear amazing stories of how God is working around the world through Bible translating and caring for orphans.

This session is designed for anyone with a heart to pray for missions, those sponsoring a child overseas, as well as those interested in other cultures, praying for the world, or participating in a trip.

Sorry, no childcare. RSVP to Jayne (x272 or jayne@ctkbellingham.com).

who cares?

Regardless of our past or present, most of us will face moments in the future when we need someone to walk a specific path with us. Someone who'll offer care that we can't find anywhere else. We want to be a church that cares for people—and helps people care for one another.

That's why our Care Ministry is becoming the Care Network. In addition to our current care ministries, we're launching three new ventures: hospital visitation, prayer shawl groups for those who knit/crochet, and the nationally acclaimed Stephen Ministry.

So who cares? CTK does, and we invite you to help through one of the following opportunities:

Hospital Visitation Ministry Interest Meeting

Tuesday, September 22

10:00-11:30 AM in Room 212

or

Tuesday, September 22

6:30-8:00 PM in Room 212

It's a privilege to visit those who are ill or homebound, and CTK's Care Network is creating a new volunteer ministry to give you that opportunity. Come learn about this new ministry and what it means to express the kind of care Jesus praised in Matthew 25:36: "I was sick, and you visited me."

Contact Julie (julies@ctkbellingham.com or x 279).

CTK Food Bank

A growing number of families struggle to make ends meet. We take the needs of our community seriously. The CTK Food Bank is open every Tuesday, so no family goes without essential food and dry goods.

Pick up a shopping list above the Food Bank box in the Commons. Donations can be dropped off at the food bank bin in the Commons.

Want to volunteer? Email Tracy (x240 or tracyw@ctkbellingham.com).

Prayer Shawl Ministry Interest Meeting

Thursday, September 24

10:00-11:30 AM in Room 212

or

Thursday, September 24

6:30-8:00 PM in Room 212

If you knit or crochet, we have a brand new opportunity for you to use your talent to offer hope and comfort to someone who needs encouragement. As you craft a shawl and pray for its recipient, you'll be creating a tangible reminder that CTK cares. Come learn more at this interest meeting.

Contact Julie (julies@ctkbellingham.com or x 279).

Hospital Visitation Training

Tuesday, September 29

7:00-8:15 PM in Room 210

Being the hands and feet of Jesus as we walk into the room of someone who is ill can be challenging, but it doesn't need to be. Come get helpful tips to make this visit a significant encounter for you and the patient. Be part of our team to bring encouragement to others during a time of need.

RSVP to Julie (julies@ctkbellingham.com or x 279) before September 24.

Harvest Ministry

CTK Harvest manages a large garden that provides fresh, healthy produce for guests of our Food Bank. Whether you're a master gardener or a beginner, we could use your help throughout the growing season!

If you'd like to volunteer, contact Tracy (tracyw@ctkbellingham.com or x240).

CTK GLOW STATIONS Oct. 31 2015

When we talk about our mission, purpose, and ministry at CTK, the word “**our**” can be easily overlooked. But “**our**” is one of the most important words because it includes **everyone** who calls CTK their church. Not just the pastors. Not just the paid staff. Not just the organization. If our mission is **your** mission, here are a few “don’t miss” events to add to your fall calendar.

Connect Weekends

September 19/20 and September 26/27

During services in the Commons

Two Connect Weekends are coming this fall. We want to make it as easy as possible for you to learn about all the ways to grow and make friends at CTK, so we'll be here in full force to help you get connected! After any service come browse booths in the Commons, meet leaders from all our ministries, pick up information, and ask any questions you have.

Vision Weekend

October 3 & 4

During weekend services

Over the past several years, the leadership and staff of CTK have done the hard work of listening to God in order to clarify our values, purpose and focus as a church. This work has given us an increasing ability to unify every area of ministry around common themes and initiatives. And we're already beginning to see Christ-honoring results. On Vision Weekend 2015 at every service, come hear where this is all headed as pastors Grant Fishbook and Todd King cast vision for the next chapter in the life and ministry of our church. We've developed a 7-year dream centered on three key components, and you don't want to miss the big "reveal!" You'll be inspired and challenged in your faith as we embark on this journey together.

CTK Introductions

Sunday, September 27

9:30-10:30 AM in Room 210

or

Saturday, November 14

4:30-5:30 PM in Room 210

Are you new to CTK or ready to commit more to our mission? Come to our next session of CTK Introductions! You'll be introduced to who we are, what we believe, what we're about, and where we're headed as a church. You'll also meet some of our staff and members, and have a chance to ask any questions you have about the church. This is the perfect place to explore how you can connect in meaningful ways with God and the community at CTK. It's also the first step toward ownership and membership (see info below).

No sign up needed, just show up.

Ownership Class

Choose from:

- Sunday, September 20
- Sunday, October 11
- Sunday, October 18

12:30-2:00 PM in the Meeting Place • Lunch provided

As we clarify and align everything we do at CTK, you have a significant opportunity to join in at the highest level: membership. Each quarter we offer the Ownership Class for those who want to be “all in” as members. Membership is not about signing a piece of paper—it’s about living the mission, vision and values of CTK as a disciple of Jesus.

Register at ctkbellingham.com/classes, the Connection Point, or contact Diane (x231 or diane@ctkbellingham.com).

RSVP at the Connection Point or contact Ron Walton (x218 or ronw@ctkbellingham.com).

This year marks the 11th annual CTK Blessing – an opportunity for the people of CTK to bless others with various forms of support. Last year you gave generously, which has helped a number of CTK families and individuals who experienced legitimate and serious needs in 2015.

Our Care Team carefully evaluates each request for help to find the best solution. Along with meeting many immediate needs, they also offer long-term solutions like budget coaching and financial classes for those who would benefit.

If you'd like to give toward the CTK Blessing, watch for the green envelope included in your program during the month of November.

Christ the King is a multi-site church. That simply means one church that meets in a number of locations. This outward focused strategy allows us to serve more of Whatcom County (and beyond) with one mission, custom-fit to each location.

These four locations are part of a network based out of CTK Bellingham. There are additional CTK's throughout Washington, the US and worldwide
